A Gathering of Authors

The Library is excited to host the third annual *Gathering of Authors!* The *Gathering* is a celebration of the rich history of literature in Kentucky. We are proud to welcome authors from across the Bluegrass who will sell and sign their works, as well as talk with patrons.

The *Gathering of Authors* will take place on Saturday, August 21 from 10:00am to 3:00pm. For a complete list

of authors, please see below.

We will kick off the *Gathering* with a night of music by Daniel Martin Moore on Friday, August 20 @ 6:30pm in the Library Community Room.

These events are free to the public. Come out and meet your favorite authors, and see what some of Kentucky's best have to offer!

New Catalog Upgrade Coming Soon!

The Library will soon be upgrading the online catalog! We hope that it will be easier than ever to search for and find the items you want!

This upgrade will include several new and useful features. First, there will be a search suggestion box that drops

down, allowing patrons to find information much faster.

The new catalog will offer more options for narrowing a search and sorting by format, author, series, publication year, etc.

Patrons will also be able to write reviews of titles and

share their thoughts about books with other patrons from within the catalog.

We hope that you will check it out and let us know what you think! If you have any questions about the new layout, please ask at the Information Desk. We would be glad to help!

Library Fun in Pictures...

Jackson Lester (left) from Canoe Kentucky gave a great presentation about paddle sports on June 21.

Look for Miller and Janice (above) in the Library's redesigned Outreach Services van!

Samya Quabili (above) led a teen program on henna art on June 25. The teens had a great time!

William Bean (above) from KSU led agriculture programs for tweens at the Library on June 28 & 30.

Fun Fact! Paul Sawyer Public Library Trivia
Summer is a busy time at the Library! Not only are there more items checked out from the Library, but we also have a lot of programs and events. In June and July we held 6 programs for adults and families, 12 events for teens, 20 program sessions for children and tweens, as well as 54 storyhour sessions!
