Make a SPLASH @ the Library!

The 2010 Summer Reading Program is on a roll! The Open House kick-off was a huge success: just during that event 181 adults, 75 teens, and 330 children signed up for the program, and every day we have more patrons participating!

If you haven't yet, be sure to pick up a summer reading

booklet from the Library. It will have all the information you need to get started, or check out our website www.pspl.org to view the information online.

This summer there is something for everybody, children and adults: attend an outdoor blues concert, go fishing, make sushi, learn about thun-

derstorms and tornados, or attend a water show! See pages 2 and 3 for more details on upcoming events.

For more information about the Summer Reading Program, please contact the Library at 502-352-2665.

New Service: Library Express Van

The Library is excited to announce a new service made possible by a generous donation from the Friends of PSPL. Be on the lookout for

the Library Express! It's coming to a neighborhood near you!

The Library Express is a mini-van filled with a variety of books for teens, kids, and babies. Check out and return books in the convenience of your own neighborhood.

The van will visit the same locations at the same time on a two week rotating basis. Hope to see you soon! If you have any questions, please contact the Library at 502-352-2665.

The Paul Sawyer
Public Library would
like to thank the
Friends of PSPL for
their generosity in
sponsoring the 2010
Summer Reading
Program!

Library Fun in Pictures...

A youth (above) built this Lego creation at the Tween Lego Club on April 17.

Holly Goddard Jones (left) read from her book *Girl Trouble* on May 17.

The Library has recently experienced some remodeling and rearrangements! We have a new and improved Check Out Desk. We have also moved the new book area (above) closer to the front of the building and rearranged the adult express internet computers (left). Check it out!

The Summer Reading Open House on June 8 was a great success! Becky (above) explained the adult reading log to an interested patron.

Fun Fact! Paul Sawyer Public Library Trivia

The Library has 26 public computers available for adults and 19 computers available for youths. Since the beginning of May, the adult computers have been logged into 4940 times, and the youth computers have been logged into 815 times. The wi-fi available throughout the building has been logged into 766 times.
