Spring Gardening

Biblio Bulletin Editor:
Stacy St. John

Spring Gardening at the Library!

Spring is slowly approaching, and it's time to start thinking about your garden!

According to the National Gardening Association, food gardening is on the rise with an increase of 19% from 2008 to 2009 (www.gardenresearch.com/). There is sure to be just as much — if not more — interest in food gardening this year.

The Library has many resources to help gardeners this spring! Starting March 1st, we will have a display of gardening

books and DVDs. Plus, you can always ask at the Information Desk for additional titles on the shelves.

We'll also be hosting a program on Tuesday, March 23rd at 6:00pm in the Library Community Room: Heirloom Seed-Starting Workshop presented by Julie Maruskin, Director of the Clark County Public Library.

This program will help you learn how to start plants from seed, transplant seedlings, and save your own seed for next year. All

attendees will be able to choose six packets of seeds from 50 varieties of heirlooms as well as take home two tomato seedlings!

This workshop is free to all adult patrons, but registration is necessary. Please contact Diane at 352-2665x108 or diane@pspl.org to reserve your spot.

For more information about resources at the Library, please ask at the Information Desk. We would be glad to help you get the resources you need to start on that garden this spring!

Spring Storyhours for Children

The Youth Services Department is busy putting together this year's spring storyhour programs. These sessions are 6 weeks long, beginning the week of March 8 and ending the week of April 12. Signups begin on February 22.

Mother Goose Time is an interactive program for children ages 12-24 months and will meet on Tuesdays at 11:00am. This is a 30-minute program in which short rhymes, songs, fingerplays and books are com-

bined in a gentle program for babies and their caregivers.

The **Parents & Tots** program for 2-3 year olds will be held on Tuesdays at 6:30pm and Thursdays at 10:00am. This program introduces young children to simple stories, fingerplays, songs, and activities. Parents may select one of the 30 minute sessions.

The **Storytime** program for 4-5 year olds and up will meet on Thursdays at 11:00am. Storytime is a 45 minute program

that involves listening to stories, singing simple songs, crafts, and other activities.

Family Fun Night is a one hour program designed for families and their children ages 4 and up. Family Fun Night will meet on Thursdays at 6:30pm. It includes stories, crafts, and entertaining activities that the entire family will enjoy.

For more information, please contact the Youth Services Desk at 352-2665x205.
