

Kentucky Libraries Unbound: eBooks

How to check out,
download, & transfer
ebooks to a Kindle
reader or Kindle app

Paul Sawyer Public Library

HOW EBOOK LENDING WORKS

- eBooks work like normal library books. We have a digital “copy” of each book.
- If a copy is available, you will be able to add it to your cart, check out, and download the book.
- If all copies are checked out, the status for the book will read “Place eHold” indicating that you need to wait for an available copy.
- eBooks automatically expire after the check out period (7– 21 days). However, you may check them back in early if you wish.
- You may have 10 items out from KY Libraries Unbound at any time. This includes ebooks and audio books.

INSTRUCTIONS

1. Go to our Library home page (www.pspl.org). Click on “E-Library” and select KY Libraries Unbound (our digital media catalog) from the list.
2. Login using your library card number and PIN.
3. Search for items by author, title, keyword, or subject. You can limit your search to Kindle ebooks by click on the Advanced Search. You may also limit your search to available copies.
4. To check out a book, click “Add to eCart.” Or place a hold if it is not available.
5. Proceed to Checkout. Choose your lending period. Confirm checkout.
6. Click on the gray “Get for Kindle” button under the title. This will take you to Amazon.com.
7. Click on the “Get Library Book” link.
8. Log in to Amazon with your Amazon account username and password.

Kindles with wi-fi

9. Select from the list of your registered devices and apps where you want the title sent, and click OK.
10. Connect your Kindle to a wi-fi network. Your library ebook will be downloaded automatically to your Kindle. If you don't see it after a couple of minutes, select “Menu” on your Kindle and select “Sync & Check for Items.”

Kindles with 3G only

9. Select from the drop-down list of your registered devices and apps “Transfer via computer” and then choose which Kindle you will be transferring the title to.
10. Plug the Kindle device into your computer via the USB cable and click on OK.
11. A small message window will pop up. Select “Save File” and click on OK.
12. File Explorer will open up for you to specify where you want to save the file. Navigate to your Kindle device, and save the title to the “documents” folder on the Kindle.
13. Unplug your Kindle and the ebook will be on your device, ready to be read!

To return a title early, log into your Amazon account and click “Manage Your Kindle.” You'll see a list of all your books (both those borrowed from the library and those purchased from Amazon). On the left, hover your mouse over the “Actions” button and select “Return this book” from the list. You may also delete the title.

If you have any questions, please contact the Library Information Desk
at 502-352-2665 or email audiobooksupport@pspl.org.
