Summer Reading Program 2011!

Summer is almost here! And that means it's time for the 2011 Summer Reading Program! Get ready to read with us this summer and take part in a wide variety of programs at the Library June 6-July 29.

This year's theme is world cultures and travel. All ages are welcome to participate.

Pick up a reading log (available at the Library and

on our website) and return it for a chance to win some great prizes!

The Library also has many events planned throughout the summer. There's something for everyone, from children to adults!

To find out more, join us during our Summer Reading Open House on June 6 from 2:00-7:00pm in the Library Community Room.

New Music Download Service — Freegal!

Paul Sawyer has joined Library Ideas' network of public library websites that offer access to Sony Music's catalog of artists. Known as Freegal, this service will allow us to increase the size and diversity of our music collection by offering access to hundreds of thousands of songs!

Under the terms of the agreement, patrons with a library card and PIN can

download a select number of MP3 files from Sony Music each month via the Library website at no direct cost! No special software is needed, and there are no digital rights management restrictions. Once downloaded, the songs are yours to keep, and you do not have to worry about returning them to the Library.

The Library is pleased to provide a service like this

that delivers great music, compatibility with lots of devices, and simplicity of use!

To find out more about this new service, go to our website at www.pspl.org and click on Digital Downloads. Select Freegal from the list, enter your library card number and PIN to begin browsing through the catalog of songs and artists.

Go Green @ the Library!

The Library now offers an option for getting your checkout receipt sent to your email instead of printing a paper copy. After you

have checked out materials with your library card or finger scan, the computer will offer the option of sending your receipt to you via email

or printing a copy. You may also elect no receipt if you are one of the brave ones who remembers when items are due back!
