Career Workshop Series

The Paul Sawyer Public Library is excited to host the Career Workshop Series, a month-long series of programs and classes on career development and job searching!

First, join us for Ace the Interview; the Central KY

Career Center will lead this interactive workshop which includes an informative presentation and small-group sessions that allow participants to practice in a hands-on environment. This workshop will be offered on Monday, October 3, at 6:00pm-8:00pm and Monday, October 24, at 6:00pm-8:00pm in the Library Community Room. Both sessions are free, but

registration is requested.

The Central Kentucky Career Center will also lead a Resume Workshop on Monday, October 10 at 6:00pm-8:00pm in the Library Computer Lab. Please call the Library to register for this workshop.

James Hale, author of *Getting Seen: The Ultimate Guide to Creating the Most Important Document of Your Life — Your Resume*, will lead a workshop titled Job-ology 101: Breaking Barriers on Saturday, October 22 at 1:00pm-4:00pm in the Library Community Room. In this workshop, Hale will cover the essential skills for job searching and discuss how to stand out among thousands of job applicants and increase your

chances of making it to the top candidate list. Registration is requested, so please call or stop by the Library Information Desk to sign up.

Also, don't forget! The Library regularly offers our "Resume Builder" class on creating an online resume from a Google document template, and we will be offering several sessions in October. Please see page 2 (under Computer Classes) for dates and times. No registration is required for computer classes.

All programs are free and open to the public. For more information on any of these programs, please contact Stacy St. John at 502-352-2665 x 106 or stacy@pspl.org.
